Clean skin thoroughly with soap and water, then dry. For longest wear, clean skin with alcohol and dry. Carefully remove white plastic backing and discard. Tattoo will be held in place on clear film.

Place tattoo on clear, dry skin or item to be decorated. Allow to "warm" for approximately 10 seconds.

Slowly peel off clear film - replace backing and press again if any stones are not firmly on skin.

Your tattoo can be easily removed from skin (do not wear for more than 2 days. Rhinestones are held in place by a special medical adhesive
